**Ann Kepler : The ALA Book of Library Grant Money (Big Book of Library Grant Money)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The ALA Book of Library Grant Money (Big Book of Library Grant Money):

No institution is immune from the current budget crunch, and sometimes a grant can make the difference between maintaining or cutting services. Completely overhauled since its last edition, this directory of library and school grants remains the gold standard for locating sources of funding. This resource will point you in the right direction with Hundreds of new and updated entries, all carefully culled and researched, including grant criteria and application

procedures Information on ALA grants, state library grants and other public grantors, private foundation grants, and more Funding sources for facilities, computers, programs, staffing, initiatives, and other library operations Planning and user guides to help you get the most out of the directory Multiple indexes to help you quickly find the information you need An invaluable guide to where the money is, no other resource can compare in scope or usefulness to The ALA Book of Library Grant Money.
