John A Hostetler : The Amish before purchasing it in order to gage whether or not it would be worth my time, and all praised The Amish:

0 of 0 people found the following review helpful. It's nice enough but not at ALL what I wantedBy LHRather frustrated at myself -- I had wanted to purchase the updated version of the 448 page book Amish Society by Jose[h A Hostetler, and instead picked up this 57 page booklet for the same price. It's nice enough but not at ALL what I wanted. Posting this so others won't make the same mistake....0 of 0 people found the following review helpful. The pictures were nice, but it's too costly for so few pagesBy L. BaleVery little meat and potatoes to this book. The

pictures were nice, but it's too costly for so few pages. 0 of 0 people found the following review helpful. An excellent read
By Phillip O. Dowdle
Excellent read, concise and to the point. Excellent review of an often misunderstood Christian group.

With over 770,000 copies sold since it was first published in 1952, this new edition of *The Amish* updates a classic resource with rich, full-color photos portraying Amish Life today. Hostetler's clear explanations of Amish lifestyle and beliefs are brought up to date by his daughter, Ann Hostetler, and Steven M Nolt, a history professor with expertise on the Amish. Topics include Amish roots and values, worship, family and community, food and hospitality, bonnets and broadbrims, and many more.

A delightfully written, yet authoritative, brief account of the folk culture of one of America's most interesting small minority groups. The Amish should do much to engender a fuller and more sympathetic understanding of the Amish way of life. --George P Murdock, Yale University
The Amish have always attracted popular interest because of their different dress and manner of living. Hostetler, born and reared among them, writes with authority about the Amish, explaining the reasons behind their customs and describing much of their way of life. --The Pennsylvania Magazine of History and Biography
About the Author
John A. Hostetler has been a key interpreter for the Amish. He has explained their customs and beliefs to persons for many decades, and was a key witness on their behalf before the Supreme Court in the landmark legal case that allowed the Amish to not participate in Social Security.
