**A. R. Brown : The Andaman Islanders: A Study in Social Anthropology (Anthony Wilkin Studentship Research, 1906) (Classic Reprint)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Andaman Islanders: A Study in Social Anthropology (Anthony Wilkin Studentship Research,

1906) (Classic Reprint):

Excerpt from *The Andaman Islanders: A Study in Social Anthropology* (Anthony Wilkin Studentship Research, 1906) The results of my researches on the physical anthropology of the Andaman Islanders have not been published. I hoped to be able to obtain the services of some one more competent in such matters than myself to assist or direct me in the measurement and study of the collection of skulls and skeletons that I brought to England and that is now in the Anthropological Museum at Cambridge. In this I was disappointed, and absence from England has prevented me from completing my work in this branch of research.
