Jean Cocteau : The Art of Cinema before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Cinema:

3 of 3 people found the following review helpful. Great BookBy nhussongThis is a fabulous book for anyone studying or wanting to learn more about Cocteau or Film or Fine Art. It should be required reading for any serious Artist.

This posthumous collection of writings illuminates Cocteau's own work for the cinema with detailed discussions of his aims, responses to criticism and his reflections on the relationship between poetry, theatre and film. He also comments on the movie stars he admires: Marlene Dietrich, James Dean, Brigitte Bardot together with such great directors as Charlie Chaplin and Orson Welles.

Language Notes Text: English (translation) Original Language: French From the Back Cover For more than thirty years, poet, writer and artist Jean Cocteau maintained a lasting and passionate affair with the moving image. To him, film was a visionary, dream-like form, a glimpse of the phantoms that haunted the poet throughout his life.
