Thi Bui : The Best We Could Do: An Illustrated Memoir before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best We Could Do: An Illustrated Memoir:

0 of 0 people found the following review helpful. Exciting new way of learning the Vietnamese-American experience!By Mr. WynnHow amazing was this?!?! This is the first graphic novel to be about Vietnamese by Vietnamese. Honestly, I have never read a graphic novel. I'm not really that type of genre. This book had me glue to its pages from beginning to end! This book needs to be read! The art is amazing. Easier to read. Does not compromise on any Vietnamese culture for the sake of Western comprehension. It is honest and easy to digest for young adults, too.0 of 0 people found the following review helpful. Beautiful and enlighteningBy HMSA beautiful, enlightening picture-prose poem of what it is like to be a Vietnamese immigrant.0 of 0 people found the following review helpful. Four

StarsBy Hugo Johnson This is a vivid and engaging personal story of war and migration.

National bestseller ABA Indies Introduce Winter / Spring 2017 Selection Barnes Noble Discover Great New Writers Spring 2017 Selection An intimate and poignant graphic novel portraying one family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prizewinning novelist Viet Thanh Nguyen calls a book to break your heart and heal it, *The Best We Could Do* brings to life Thi Bui's journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

"A powerful and intimate look at the modern immigrant experience in America."
