Diana F. Marks : The BIG Book of Glues, Brews, and Goos: 500+ Kid-Tested Recipes and Formulas for Hands-On Learning before purchasing it in order to gage whether or not it would be worth my time, and all praised The BIG Book of Glues, Brews, and Goos: 500+ Kid-Tested Recipes and Formulas for Hands-On Learning:

0 of 0 people found the following review helpful. Goo-riffic!By vegebrarianMy library has a copy of this book and I couldn't wait to get a copy of my own after flipping through it. I know we will use this book countless times as my daughter grows up. So many fun activities and options for a rainy day or any day!

This compilation is a must-have for every library, providing a multitude of methods for developing easy, interesting

activities for children. Projects across cultures, recipes for healthy snacks, and intriguing science experiments are among the hundreds of ideas connecting learning and creativity for students of all ages. Offers detailed instructions for making fun projects like simple telephones, face paint, a homemade compass, and snow globes Features projects from other cultures and other periods Provides step-by-step instructions, along with tips for easier project implementation Contains recipes for snacks from across the globe, including Indian chapatis, corn tortillas, Navajo fry bread, and Welsh griddle cakes

About the Author Diana F. Marks consults with teachers, parents, children, and school districts to help enhance learning and develop curricula. Previously, she was a teacher for gifted students.
