Josh Chetwynd : The Book of Nice: A Nice Book About Nice Things for Nice People before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Nice: A Nice Book About Nice Things for Nice People:

3 of 3 people found the following review helpful. Fun gift idea!By BroadsworddivaIt's a great book, filled with fun facts and leaves you feeling good. Definitely a great stocking stuffer or quick gift to say "thank you" to someone special.1 of 1 people found the following review helpful. Great gift to send them off with - signed by ...By ChristyI bought this book for someone who was moving on to a new job. Great gift to send them off with - signed by co-

workers! 1 of 1 people found the following review helpful. Thought provoking By MSA pick up book at random, for an interesting tidbit for the day. Makes a thoughtful hostess gift in lieu of wine.

Nice is the secret ingredient to a better life. It makes us happy. It may even be what makes us civilized when we say thank you, shake hands, send flowers, were doing the nice things that bring people together. A compulsive and chunky book for lovers of trivia, popular history, customs, and culture and a perfect gift to say you're nice. The Book of Nice is an entertaining, quirky compendium of those signs, traditions, and expressions that we so often take for granted, yet turn out to be quite fascinating. It's about why we cover a yawn (originally to prevent evil spirits from entering our bodies, now to hide the impression that something's boring us). About holiday traditions it's thanks to Guy Lombardo's December 31 broadcast in 1929 that we now sing Auld Lang Syne on New Year's Eve. About customary offerings the wedding cake evolved out of the Roman use of wheat as a symbol of fertility (and it's much tastier than bits of grain). And about those simple yet essential niceties show Thomas Edison championed an obscure term, hello (if Alexander Graham Bell had gotten his way, we'd all be saying ahoy). Why not put a little nice in your day?

"[A] smart look at all things ... nice." - Oprah Winfrey's O Magazine "Chetwynd explores being nice through chapters on gestures, songs, words, characters and offerings that spread the love and does so with wit and intelligence." - The Huffington Post "Recommended paperback ... [This] book is more than just a collection of facts, it reveals positive things about the way we live today." - Tucson (Arizona) Citizen "If you're looking to add to the stack of books on your nightstand, take a look: ... fascinating factoids and trivia from history and pop culture. Superstitions, the art of smiling for the camera, giving flowers, sending greeting cards and other topics get their due." - Sacramento (California) Bee About the Author Josh Chetwynd is the author of The Secret History of Balls (named a "Best Book of 2011" by NPR), How the Hot Dog Found Its Bun, and other books. He is a former reporter for USA Today and U.S. News World Report, and has contributed to Variety, The Times (London), and the BBC, among others. He lives in Denver, Colorado.
