From Brand: Cambridge University Press : The Cambridge Companion to Medieval Women's Writing (Cambridge Companions to Literature) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cambridge Companion to Medieval Women's Writing (Cambridge Companions to Literature):

0 of 2 people found the following review helpful. Bought for school....By Rainbowfish.....and it's helped with research projects. Overall, it's a straight forward and in depth source. You probably can't write a paper based solely on the info provided but its a good starting point. 1 of 15 people found the following review helpful. great information and organizationBy A CustomerI really like this book, although I have not read it all yet. Some of the articles are quite short, though. Overall, I believe it is a great investment!

Beginning with an examination of the different stages of women's lives--childhood, virginity, marriage and widowhood, this Companion addresses various aspects of medieval life that affected women's writing. These include the nature of authorship in the period, the position of women at home or in nunneries, and their relationship to religion. Additional essays cover the lives and work of such prominent women writers as Heloise, Marie de France, Christine de Pizan, Julian of Norwich, Margery Kempe and Joan of Arc. A chronology and guides to further reading add information which students and scholars will find invaluable.

"...an original and fresh mapping of the territory it examines..." Journal of English and Germanic Philology" ...[an] invaluable collection of essays...Highly recommended" Choice"Chapters invoke the many texts that shaped medieval women's lives, [...] providing the contextual information necessary to comprehend how women came into contact with and contributed to medieval women's culture." ArthurianaAbout the AuthorCarolyn Dinshaw is Professor of English and Director of the Centre for the Study of Gender and Sexuality at New York University. She is the author of Chaucer's Sexual Poetics (1989), and Getting Medieval: Sexualities and Communities, Pre- and Postmodern (1999).David Wallace is Judith Rodin Professor at the Department of English at the University of Pennsylvania. He is the editor of The Cambridge History of Medieval Literature, and the author of Chaucerian Polity.
