B. Misztal : The Challenges of Vulnerability: In Search of Strategies for a Less Vulnerable Social Life before purchasing it in order to gage whether or not it would be worth my time, and all praised The Challenges of

Vulnerability: In Search of Strategies for a Less Vulnerable Social Life:

Proposing an aggregative conception of vulnerability, this book provides a new framework for understanding individual experience of, and resilience to, vulnerability and promotes the need to find remedies for exposure to involuntary dependence, the unsecured future and the painful past.

"The Challenges of Vulnerability, is a timely and extremely valuable contribution to the current theoretical and political concern with vulnerability, especially in the advanced capitalist nation-states." - International Sociology
About the Author
