George Bird Grinnell : The Cheyenne Indians: Their History and Lifeways, Edited and Illustrated (Library of Perennial Philosophy) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Cheyenne Indians: Their History and Lifeways, Edited and Illustrated (Library of Perennial Philosophy):

2 of 2 people found the following review helpful. Accurate, Credible and Interesting By 5/0 The Cheyenne Indians, their History and Lifeways by George Bird Grinnell Grinnell was the most accurate, honest, observant, credible and talented of the chroniclers of Indian Life of the 19th century. Well he should be as he virtually lived with Cheyenne for the last 30-plus years of the 1800s. In this book the reader is treated to an often enlightening ground-level look at the

Cheyenne culture of the 1800s. They are presented as real people with daily lives, daily trials, favorite games, evolving habits, cherished beliefs and human hearts. Its a splendid read.1 of 1 people found the following review helpful.
DRAWS YOU INTO LIFE ON THE PLAINSBy crystalseaThis is an excellent book which gives insight to real daily life on the plains. Many moments captured here are not possible to get on film. The book really draws you in and reminds you real people lived these moments.1 of 1 people found the following review helpful. well writtenBy SannVery informative and educational. Has a lot of detail. An excellent look at their Cheyenne culture. Would make a good gift for some for some one who likes anthropology.

This beautiful book takes George Bird Grinnell's classic work on the Cheyenne Indians and condenses it into 240 fully-illustrated pages of his most essential writings. Grinnell was the long-time editor of Field Stream magazine and helped to establish both the Yellowstone and Glacier National Parks. During his career he documented several tribes of the old West, including this vivid account of the last of the Cheyenne Indians, who were forced to live out their lives as nomads.

About the AuthorGeorge Bird Grinnell was a historian, naturalist, explorer, sportsman and conservationist. He co-founded the first Audubon Society and along with Teddy Roosevelt, co-founded the Boone and Crockett Club.
