Joy Loverde : The Complete Eldercare Planner, Revised and Updated Edition: Where to Start, Which Questions to Ask, and How to Find Help before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Eldercare Planner, Revised and Updated Edition: Where to Start, Which Questions to Ask, and How to Find Help:

4 of 4 people found the following review helpful. Wish I had found this several years ago! By dolcevita This is a great resource for those who are beginning the eldercare "journey." In addition to compiling all the issues you need to consider, she lists resources and provides the questions you need to ask - a huge time-saver. The author also gently lets you know that it is OK to feel what you're feeling and it is OK, in fact necessary to ask for help. I've bought a number of additional copies to give to friends and colleagues embarking on the eldercare path and wish I had found this book

4 years ago -it would have saved me a ton of time!0 of 0 people found the following review helpful. Five StarsBy CustomerPerfect All inclusive. Perfect reference.0 of 0 people found the following review helpful. A book full of vital informationBy Ruth McGovernFull of good information. Highly recommend this book to seniors and their children.

The only guide youll ever need to manage the care of your aging family FULLY REVISED AND UPDATED As our population shifts and ages, the care needs for our elders continue to change and evolve. Todays generation of family and professional caregivers faces new decisions and challenges, as well as previously unavailable options. This thoroughly revised and updated 2009 edition of The Complete Eldercare Planner equips you with reliable, up-to-the-minute information to help you plan and manage caring for your loved ones. Comprehensive and detailed, sensitive and realistic, practical and accessible, the 2009 edition provides even more tips on prioritizing and organizing caregiving tasks, balancing work and family responsibilities, and navigating the complex maze of eldercare services. In addition to an expanded index of Internet resources and access to downloadable forms of key documents, youll find indispensable checklists, worksheets, step-by-step action plans, lists of questions to ask, low-cost and free alternative resources, and The Document Locator. This new edition covers:Getting started on creating a long-term care planFinding help, especially if you live far awayManaging the financial aspectsTalking to elders about sensitive subjectsSenior housingmove or stay put?Managing medicationsAnd many other topics of vital interest to anyone caring for an elder

From the AuthorThis is a review of The Complete Eldercare Planner as posted by a reader and family caregiver. I am posting this review in the hopes that people are inspired by his words...
