information.0 of 0 people found the following review helpful. Great ReferenceBy LewisranchThis is a great compact tool to help understand how the Bible was put together. I highly recommend this to anyone with questions about the Bible.0 of 0 people found the following review helpful. A light weight treatmentBy John E. MaasTo quote a previous reviewer, "I thought this book was a fair, mediocre overview of different Bible versions... ." My thoughts also.

Written in an easy-to-read style, the author explains how the Bible was first written and how English translations developed.
