**Timothy Darvill : The Concise Oxford Dictionary of Archaeology (Oxford Quick Reference)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Concise Oxford Dictionary of Archaeology (Oxford Quick Reference):

1 of 1 people found the following review helpful. very helpful. It is a specialized dictionary, using ...By KatefromCherryHillvery helpful. It is a specialized dictionary, using it to understandarticles in archaeology magazines.1

of 1 people found the following review helpful. Five StarsBy Nancy BardesCovers what ordinary dictionaries do not, aiding in my addiction to archaeology.0 of 1 people found the following review helpful. Preliminary reviewBy Client de I didn't really have to use it in an excavation or in study yet but it seems to have a lot of information

The most wide-ranging and up-to-date dictionary of its kind providing useful information about archaeological terms, themes, theories, sites, places, artefacts and archaeologists ... from amphora to ziggurat. Will be especially useful to students, amateurs and enthusiasts, travellers, and anyone seeking to extend their knowledge horizon. Taking AD 1700 as the cut-off point, the dictionary contains over 5,000 concise and often referenced entries mostly relating to Britain, Europe and the Americas. The dictionary concludes with eleven 'Quick Reference' sections on subjects such as conventions, stratigraphy, geology, periods, dynasties, emperors and rulers. The second edition is fully updated, with new evidence, insights and entries, and is now accompanied by dedicated webpages and bibliographic web links. The bargain version is the first edition.

"A significant achievement...a wealth of information....It will be invaluable to professional and amateur alike."-- Professor Barry Cunliffe  
"A superb collection of useful and unusual archaeological knowledge"--Dr Francis Pryor  
"Comprehensive, proportionate, and limpid"--Antiquity  
About the Author  
Timothy Darvill is Professor of Archaeology at Bournemouth University, and is a fellow of the Society of Antiquaries.
