NisichGreat book for young teens to read to visualize how people survived the still do in the mountains A project of a high school class that grew to a great series of books...0 of 0 people found the following review helpful. Back to the BasicsBy BGreat book for getting started with some survival basics, prepping, and just a good book series to have in any library. Good information and a piece of history my family loves.0 of 0 people found the following review helpful. This is a great historical book about how our ancestors did and in ...By Susie Two SocksThis is a great historical book about how our ancestors did and in some cases still do things. Great book.

First published in 1972, The Foxfire Book was a surprise bestseller that brought Appalachia's philosophy of simple living to hundreds of thousands of readers. Whether you wanted to hunt game, bake the old-fashioned way, or learn the art of successful moonshining, The Foxfire Museum and Heritage Center had a contact who could teach you how with clear, step-by-step instructions. This classic debut volume of the acclaimed series covers a diverse array of crafts and practical skills, including log cabin building, hog dressing, basketmaking, cooking, fencemaking, crop planting, hunting, and moonshining, as well as a look at the history of local traditions like snake lore and faith healing.

From the PublisherIn the late 1960's, Eliot Wigginton and his students created the magazine Foxfire in an effort to record and preserve the traditional folk culture of the Southern Appalachians. This is the original book compilation of Foxfire material which introduces Aunt Arie and her contemporaries and includes log cabin building, hog dressing, snake lore, mountain crafts and food, and "other affairs of plain living."From the Inside FlapIn the late 1960s, Eliot Wigginton and his students created the magazine "Foxfire in an effort to record and preserve the traditional folk culture of the Southern Appalachians. This is the original book compilation of Foxfire material which introduces Aunt Arie and her contemporaries and includes log cabin building, hog dressing, snake lore, mountain crafts and food, and "other affairs of plain living."About the AuthorFounded in 1966, FOXFIRE is a nonprofit education organization. Foxfire's learner-centered, community-based approach is advocated through The Foxfire Museum and Heritage Center and grounded in the Southern Appalachian culture that promotes a sense of place and appreciation of local people and culture as essential educational tools.
