the IB Diploma Program. The author has done an excellent job of researching the many various aspects of operating an IBDP library. He has also made suggestions for how to leverage the library's resources to help students enrolled in the IBDP. Mr. Tilke has also created bibliographies for TOK and the extended essay requirements of IBDP. Objective in its scope and well written, it is a unique and valuable reference for anyone who is working as a librarian in an IBDP school. 1 of 1 people found the following review helpful. Good Resource Book for IB Librarian By santosh akki I was really, really worried before purchasing of this book related to IB Librarianship, perhaps 4000 schools got affiliation from IB Board but till now we wont get any books on this particular curriculum. Here Dr. Tilke made magnificent research work on this topic and IBO can easily hire this book as there librarians reference. Definitely this will asset for IB Librarians of all around the world. I would like to see the same author write many more books related to particular area. Thanks, Santosh kumar akki 0 of 0 people found the following review helpful. This book, a blend of practice and theory, shows how the school library can contribute to the success of the International Baccalaureate Diploma Program. An abstract on the Extended Essay process Examples of library helpsheets for IBDP students A glossary of IBDP acronyms and IB terminology A specially created list of items that will be helpful for a TOK course An extensive bibliography of library and education sector references

"Within every chapter, librarians are encouraged to be involved in all aspects of the program, responding to the needs of students and working with teachers. Seven appendixes include a list of TOK resources, a sample library help sheet for students, several book lists, and a sample policy for essay donations, followed by a glossary of terminology and acronyms, an extensive reference list, and a detailed index." - School Library Journal "This book presents a realistic overview of what the current role of school libraries in the International Baccalaureate Diploma Programs look like. . . . Overall, the book is a reality check for media specialists, and will be especially useful for those working in an IB school." - Library Media Connection About the Author Anthony Tilke, PhD, is head of library at the International School of Amsterdam in The Netherlands, and has worked with the International Baccalaureate Diploma Program (IBDP) for over ten years.
