**A. L. Sadler, Shaun McCabe, Iwasaki Satoko : The Japanese Tea Ceremony: Cha-No-Yu (Tuttle Classics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Japanese Tea Ceremony: Cha-No-Yu (Tuttle Classics):

1 of 1 people found the following review helpful. Sadler's legacyBy XokkoFor those who want to know more about him, the Australian Dictionary of Biography (online) has a good entry on Arthur Lindsay Sadler. The book reviewed here is his magisterial contribution to works on the tea ceremony. Editors of this, the 2008 edition, could have done a

better job in removing typos (for examples, 'chose' instead of 'choose' on p. 78; the comma after 'Tairo' in the 6th line on p. 79; and 'litle' instead of 'title' (!) on p. 160). These errors sit uneasily beside their nit-picking about a few of Sadler's translations of Japanese terms in their otherwise useful introduction. The included note by Shozo Sato and accompanying colour photos are welcome additions to the edition. Those of tea utensils in his collection are limited to contemporary works, which is quite in line with Riky's view, endorsed by Sadler, that age does not, by itself, warrant worthiness. I recommend purchase of the 2008 edition. Arthur O'Neill 2 of 2 people found the following review helpful. Tuttle books By vicspike Tuttle books are informative, complete and readable. It is full of pictures and drawings. I would recommend this book to anyone interested in the Japanese tea ceremony and its history. 0 of 0 people found the following review helpful. Although the writer's phrasing in this 1930's publication is somewhat ... By Hopefull In Knowledge 123 Although the writer's phrasing in this 1930's publication is somewhat difficult at times, the author's insights on the impact the tea ceremony has had on Japanese society are remarkable.

The tea ceremony known as cha-no-yu, or literally "hot water for tea" has touched nearly every aspect of Japanese life. First published in 1933 as *Cha-No-Yu, or The Japanese Tea Ceremony*, this classic remains the gold standard for books on the five-centuries-old tea ceremony, which is itself "an epitome of Japanese civilization." Abundantly illustrated with drawings and photographs showing every aspect of the tea ceremony, this book takes readers on a complete tour of furniture and utensils, architecture and gardens, and numerous other features of cha-no-ya. Photos of tea bowls, teahouses and gardens reveal the exquisite artistry of the cult of tea. *The Japanese Tea Ceremony* is a fascinating exploration of one of Japan's greatest arts and details the importance of the tea ceremony's history and traditions, its historical tea masters and its physical manifestations. This book includes: Descriptions of the many disciples contained within the broader framework of tea ceremony, including art, architecture, gardening and exquisite handicrafts The experiences of masters of the art over the centuries Histories of the various schools and traditions of the art of tea

About the Author The late A. L. Sadler was professor of oriental studies at the University of Sydney for 26 years, as well as professor of Japanese at the Royal Military College of Australia.
