**Daniel B. Syme : The Jewish Home: A Guide for Jewish Living** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jewish Home: A Guide for Jewish Living:

The Jewish Home explains many of the "whys" of major Jewish holidays and life-cycle events. The birth of a child, the weeding ceremony, bnei mitzvah, and Shabbat are only a few of the topics discussed in this work. Readers are provided with Jewish rituals and practices, their symbolism, and their historical and cultural roots. Rabbi Daniel Syme has revised this edition to reflect the changes in Reform Judaism and Jewish life that have occurred since its first publication 15 years ago. He presents clear explanations of traditional and contemporary practices in an easy-to-follow

question-and-answer format.
