W.M. Thomson : The Land and the Book, or Biblical Illustrations Drawn From the Manners and Customs, the Scenes and Scenery of the Holy Land before purchasing it in order to gage whether or not it would be worth my time, and all praised The Land and the Book, or Biblical Illustrations Drawn From the Manners and Customs, the Scenes and Scenery of the Holy Land:

Poor printingBy Laine MikkoThe Publisher has reprint Thompson's classic The Land and the Book. However, the reprint is shorten version, including only Southern Palestain and Jerusalem. At least in my copy the printing is very poor, it lacks pages, one page is printed two times and the book is partly copied by dark pages hard to read. I most warmly recommend The Land and The Book by Thomson for all those who love their Bibles and love to study the culture behind it, but not this shorten reprinting.

The Land and the Book Bible illustrations, Holy Land, Peoples, Customs, Social and Relgius Institutions.
