Pamela Colburn Harland : The Learning Commons: Seven Simple Steps to Transform Your Library before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Learning Commons: Seven Simple Steps to Transform Your Library:

0 of 0 people found the following review helpful. Has good information. By Emanda Hagenhoff Have to use this for a class. Has good information. 1 of 1 people found the following review helpful. Learning Commons examined By Ferg's Mom First chapter was interesting, but the book needs to be updated to acknowledge newer technologies and strategies, and overall emphasis still needs to be on delivering a balanced library program instead of transforming libraries into make-shift arts and crafts centers. 0 of 0 people found the following review helpful. I needed it for class and it is just what ... By Customer I needed it for class and it is just what it says it is, no marks or problems with the pages.

This simple guide provides valuable insights for transforming an out-of-date public, school, or academic library into a thriving, user-centric learning commons. Includes usable surveys, sample newsletters and library reports, research paper formatting guides, and a highly useful website 38 figures and photographs of actual resources, user-centered design, students utilizing resources, and web design Index facilitates quick reference to specific examples on demand
