George M. Eberhart : The Librarian's Book of Lists before purchasing it in order to gage whether or not it would be worth my time, and all praised The Librarian's Book of Lists:

0 of 0 people found the following review helpful. Four StarsBy OkieBratGirlLoved it!3 of 3 people found the following review helpful. Love this book...By M. OsborneI work at a library and I thought it would be interesting to get another Librarians perspective. There is a ton of information in here not to mention a lot of funny stories about craziness that goes on in Libraries! If you are a librarian or just really like to learn new information this is an excellent

book. Also with regards to the seller, my book arrived quickly and in perfect condition! :)0 of 0 people found the following review helpful. Entertaining purchase for the librarian in your life.By Kindle CustomerSuch a fun book! Interesting lists included within

After years spent editing *American Libraries* and the many editions of *The Whole Library Handbook*, George Eberhart has collected a raft of arcane librarians and amusing trivia for this endlessly browsable volume. Equally suitable for the reference shelf and the staff lounge, the dozens of wide-ranging lists in this book include 14 ways libraries are good for the country, How to say 'Where is the library?' in 50 different languages, 10 intriguing paper defects, 6 library-related birdsongs, Top 12 silly reasons to ban a book. The mixture of serious topics, tongue-in-cheek items, and outright silliness provides something to please everyone familiar with libraries, making a fun read and a wonderful gift.

It's always nice when you have a secret bright idea and never do anything about it and then see someone you know and respect doing something totally awesome with it ... I'd always liked the idea of doing a librarian's book of lists. And now George Eberhart, also the author of *The Guide to Cryptozoology*, has done just that! --Jessamyn West, [librarian.net](#) Filled with library trivia, history, and information, this is an enjoyable read for anyone who loves libraries. --Reference Research Book News Filled with library trivia, history, and information, this is an enjoyable read for anyone who loves libraries. --Reference Research Book News Filled with library trivia, history, and information, this is an enjoyable read for anyone who loves libraries. --Reference Research Book News Filled with library trivia, history, and information, this is an enjoyable read for anyone who loves libraries. --Reference Research Book News About the Author George M. Eberhart is editor of the *American Libraries Direct* e-newsletter for the American Library Association. He has been with *American Libraries* magazine since 1996. From 1980 to 1990 he was editor of *College and Research Libraries News*, the news magazine of ALA's Association of College and Research Libraries. Eberhart holds an MLS from the University of Chicago and a bachelor's degree in journalism from Ohio State University.
