It helps you understand the layers of edits and the different stages. It has helped me in client work and freelancing. I can't say that I've used the software, but it is handy to have that additional tool.2 of 3 people found the following review helpful. OUTSTANDING INVESTMENT FOR MY FUTUREBy L.M.FieldsIn my opinion, the McGraw-Hill Desk Reference for Editors, Writers, and Proofreaders is the book every writer would probably want and every self-publishing author can't live without. The disk has editable/printable Style Sheets, Editorial Check-Off Lists, PDF Quick Reference, Web Editing, and much

more. This has been one of the best investments I have ever made for my reference book collection and for my writing career. If you are serious about becoming a serious writer then I highly recommend this book. LM Fields Author Artist for the Dark Seeds Series0 of 0 people found the following review helpful.
