Stephen Koch : The Modern Library Writer's Workshop: A Guide to the Craft of Fiction (Modern Library Paperbacks) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Modern Library Writer's Workshop: A Guide to the Craft of Fiction (Modern Library Paperbacks):

0 of 0 people found the following review helpful. Inspired Writing and ReadingBy J WilliamsReading just the first chapter of this book caught my attention and encouraged me to read on. The first chapter's tips on writing about what you know, where to find your story, inventing your story, etc., peeked my interest. It's a well written book with sentences that flow easily from one topic to another on what to think about and how to prepare for your writings, no matter what you choose to write. I look forward to reading the next chapters!0 of 0 people found the following review helpful. Bloody Good! Takes the elements of fiction writing apart and ...By FredexBloody Good! Takes the elements of fiction writing apart and puts them back together in coherent form. Forces one to consider all facets of creating fiction. Lot of insights from successful writers woven into his narrative...often in in accord with one another. Miy copy could not be resold as it totally defaced with highlighter.But I accept that it ain't gonna make me the next Henry Jame....1 of 1 people found the following review helpful. The is one of the best learning tools I have purchasedBy Patricia Fuqua LovettThe art of how to write. How to write short stories. How to write a novel. It's all here. The is one of the best learning tools I have purchased. A must read for authors at all levels.

Make [your] characters want something right awayeven if its only a glass of water. Characters paralyzed by the meaninglessness of modern life still have to drink water from time to time. Kurt VonnegutThe cat sat on the mat is not the beginning of a story, but the cat sat on the dogs mat is. John Le CarrNothing is more inspiring for a beginning writer than listening to masters of the craft talk about the writing life. But if you cant get Vladimir Nabokov, Virginia Woolf, and Gabriel Garca Mrquez together at the Algonquin, The Modern Library Writers Workshop gives you the next best thing. Stephen Koch, former chair of Columbia Universitys graduate creative writing program, presents a unique guide to the craft of fiction. Along with his own lucid observations and commonsense techniques, he weaves together wisdom, advice, and inspiring commentary from some of our greatest writers. Taking you from the moment of inspiration (keep a notebook with you at all times), to writing a first draft (do it quickly! you can always revise later), to figuring out a plot (plot always serves the story, not vice versa), Koch is a benevolent mentor, glad to dispense sound advice when you need it most. The Modern Library Writers Workshop belongs on every writers shelf, to be picked up and pored over for those moments when the muse needs a little help finding her way.

From BooklistThere's no shortage of writing guides available, but Koch's is especially valuable as it collects the comments and thoughts of such writers as Anthony Trollope, Gabriel Garcia Marquez, and Stephen King, in addition to his own sage advice. Koch, who taught at Columbia University's writing program, divides his book into the stages of the writing process. "Begin right now," he urges his readers. He goes over the basics, such as the importance of reading, the difficulty of finding time to write, and the importance of plot, with the added bonus of backing quotes from writers who have been around the block and found success. Learning that Toni Morrison, too, had to balance work and writing, or that Ray Bradbury writes six or seven drafts of each of his stories, is bound to buoy struggling writers. One thing he avoids is talking about the difficulties of a writer's life--a student sagely advised him to leave that to everyone else. Koch's tone is both encouraging and forthright, and his accessible, friendly guide will be essential for aspiring writers. Kristine HuntleyCopyright American Library Association. All rights reserved An extraordinarily comprehensive and practical work by a master craftsman and a master analyst of the craft. Madison Smartt Bell, author of All Souls Rising and Anything GoesStephen Koch was my teacher long ago. Now he is everyones teacher, indelibly. This is a book not just for the beginning writer but for every writer. Martha McPhee, author of the National Book Award nominee Gorgeous LiesThe Modern Library Writers Workshop is a treasure trove of wisdom, both immensely practical and philosophical, entertaining and thought-provoking. Koch takes us inside the writing process, and it is impossible not to emerge transformed. Joanna Hershon, author of SwimmingFrom the Inside Flap"Make [your] characters want something right away--even if it's only a glass of water. Characters paralyzed by the meaninglessness of modern life still have to drink water from time to time." --Kurt Vonnegut "'The cat sat on the mat' is not the beginning of a story, but 'the cat sat on the dog's mat' is." --John Le Carre Nothing is more inspiring for a beginning writer than listening to masters of the craft talk about the writing life. But if you can't get Vladimir Nabokov, Virginia Woolf, and Gabriel Garcia Marquez together at the Algonquin, "The Modern Library Writer's Workshop gives you the next best thing.
