**Tammy Bruce : The New Thought Police: Inside the Left's Assault on Free Speech and Free Minds** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The New Thought Police: Inside the Left's Assault on Free Speech and Free Minds:

Stop the Left from Policing Your Mind Our freedom to speak our minds is under attack. Like the Thought Police of George Orwell's 1984, powerful special interest groups on the Left are mounting a withering assault on our rights in the name of "social equality." Liberty has been turned on its ear as the rights of the few restrict the freedom of everyone. In *The New Thought Police*, author Tammy Bruce, a self-described lesbian feminist activist, cuts through the deluge of politically correct speech and thought codes to expose the dangerous rise of Left-wing McCarthyism. Provocative and persuasive, this book is a clarion call to anyone interested in preserving liberty.
