From W. W. Norton Company : The Norton Anthology of Short Fiction (Eighth Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Norton Anthology of Short Fiction (Eighth Edition):

2 of 2 people found the following review helpful. Has a number of good works.By V. ChristofThe compilation of authors gives a good variety of stories. I only read the stories required by my class, so I had a strange set of stories, all rather eclectic in combination, so that is all I can speak to. My Mother got a hold of the book after I was done with it

and she loved it so much she kept it, so I guess for those who like strange little shorts it might be perfect? Various styles of writing give a good spectrum of examples if that is something you want to read/see.0 of 0 people found the following review helpful. Great seller and fast shippingBy Christine SmithHad to purchase this book for a university writing course. Didn't know that there is a short and long version of this book. This book is the shorter version but was still reliable. Fast shipping. I recommend this seller. Great product. Thank you.2 of 2 people found the following review helpful. Another Norton TreasureBy Carl TalericoSome traditional pieces one finds in any good anthology and some less common. All-in-all it's everything you've come to expect in a Norton anthology--I know, I've been using Norton since English 101, over a half-century ago. Geeeee, am I really that old? Well, fifty years of good reading, much of which has been provided by Norton publishers.

One of the most celebrated writers and teachers of fiction, Richard Bausch, pairs his insight and inspiration with Nortons trusted editorial standards to deliver the finest teaching anthology available.The Norton Anthology of Short Fiction features 152 worksmany of them new to this editionby 130 authors, offering a broad collection of short stories with the most thoughtful annotations and apparatus on the market. With a new Authors in Depth feature, an extensive Reviews and Commentaries section, and expanded coverage of Writers on Writing, the Eighth Edition provides a wealth of criticism of key works and authors, as well as the opportunity to look deeper into the craft of fiction.

About the AuthorRichard Bausch is the author of twelve novels, including *In the Night Season*, *Hello to the Cannibals*, and *Before, During, After*. He has also written eight collections of short stories, among them a Modern Library edition of selected stories, *The Stories of Richard Bausch*, and most recently, *Something is Out There*. In 2012, he won the prestigious Rea Award for the Short Story. Bausch teaches creative writing at Chapman University.
