**William Thomas, Florian Znaniecki : The Polish Peasant in Europe and America: A CLASSIC WORK IN IMMIGRATION HISTORY** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Polish Peasant in Europe and America: A CLASSIC WORK IN IMMIGRATION HISTORY:

1 of 1 people found the following review helpful. DisappointedBy Dennis KurcThe author tries to impress us as a sesquipedalian. This makes it hard to read at times The letters are interesting but not representative.I also believe that the book doesn't reflect the average Polish family at all...either the Polish peasant or the Polish Immigrant. I would've like to see more on how Cathloicism impacted the Polish. I was looking into a deep dive into the Polish family....traditions, beliefs, struggles, etc. How Catholism survived in Poland. Was Catholicism akin to Communism? Why did Russia , Austria, Germany, and others try to eliminate Poland from the map? No dissussion there.0 of 0 people found the following review helpful. Some of the letters selected are very good in showing the interactions n the Polish community but ...By S SzabadosSome of the letters selected are very good in showing the interactions n the Polish community but most are not applicable for what I wanted. Also difficult to read.2 of 2 people found the following review helpful. A classic Chicago SchoolBy LaraA pleasant and easy read for scholars and the general public alike. Insightful and sooo enjoyable! Great read! W.I. Thomas at his greatest!

This new, abridged edition of the classic five-volume work *The Polish Peasant in Europe and America* brings together documents and commentary that illuminate the lives of the nearly two million Poles who emigrated to America between 1880 and 1910. The new introduction and epilogue make the book especially valuable in teaching United States history survey courses as well as immigration history and introductory sociology courses.
