Five StarsBy Carolina GonzalesRight to the point0 of 1 people found the following review helpful. Great reviews cant review it

myselfBy Sunnythe reviews are great so I am giving it 5 stars. Unfortunately, I couldn't give it to the person I wanted to b/c the item arrived 3 days after it was suppose to arrive

The story of the growing resistance of Mexican communities to the poverty that forces people to migrate to the United States. People across Mexico are being forced into migration, and while 11 percent of that countrys population lives north of the US border, the decision to migrate is rarely voluntary. Free trade agreements and economic policies that exacerbate and reinforce extreme wealth disparities make it impossible for Mexicans to make a living at home. And yet when they migrate to the United States, they must grapple with criminalization, low wages, and exploitation. In *The Right to Stay Home*, journalist David Bacon tells the story of the growing resistance of Mexican communities. Bacon shows how immigrant communities are fighting backenvisioning a world in which migration isnt forced by poverty or environmental destruction and people are guaranteed the right to stay home. This richly detailed and comprehensive portrait of immigration reveals how the interconnected web of labor, migration, and the global economy unites farmers, migrant workers, and union organizers across borders. In addition to incisive reporting, eleven narratives are included, giving readers the chance to hear the voices of activists themselves as they reflect on their experiences, analyze the complexities of their realities, and affirm their vision for a better world.
