Veli-Pekka Lehtola : The Smi People: Traditions in Transitions before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Smi People: Traditions in Transitions:

0 of 0 people found the following review helpful. World Culture Class By Alvena Stanfield Other than explaining how the Sami fought Norway and won a seat in their Parliament, watching Youtube, especially the National Geographic offering, is more informative. 0 of 0 people found the following review helpful. Five Stars By glenHappy to be able to get info on Sami 0 of 0 people found the following review helpful. Interesting book about an interesting people and culture. By Harry F. Drabik I gave this as a gift, but the person I gave it too was quite happy after reading it through.

Sami culture has undergone powerful changes recently. Traditions have been integrated with contemporary influences and perspectives. New kinds of Sami participation and activism have evolved including innovative politics, informative media, expressive art and literature.

About the Author Veli-Pekka Lehtola is senior research fellow at the University of Oulu, Finland. He is a SMI from Aanaar, Finland, with research interests in SMI and Finnish literature, SMI art, and culture contact.
