Abdi Roble, Doug Rutledge, Somali Documentary Project : The Somali Diaspora: A Journey Away before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Somali Diaspora: A Journey Away:

1 of 1 people found the following review helpful. Very good BookBy Gary J. KirkseyThe book was visually well done and very educational documenting the struggles of moving to America. This is a stunning documentary project.0 of 0 people found the following review helpful. The Somali Diaspora: A Journey AwayBy Barbara N. VogelAn interesting survey into the lives Somali refugees. I wanted the text to have more information as to why the Diaspora. The captions under the photos were wonderful Images were well done.2 of 2 people found the following review helpful. From Struggle, BeautyBy Richard J. AlbertI was truly surprised to find such beautiful photographs and clear, lucid writing in a book about the subject of Somali immigration in America. Both the photographer and the writer have made the book as palatable as possible to the average reader. I would recommend it to nearly anyone.

The story of Somali immigrants in America. Since 2003, Abdi Roble - who came to the US from Somalia in 1989 - and Doug Rutledge have been documenting the lives of Somalis who have fled to camps in Kenya and to the US. This book follows the story of a family as they struggle to survive in Kenya and then in America.

"The Somali Diaspora is remarkable in its ambition; it is a necessary book, very much worth reading and buying, and

an important addition to the work done on the Somali presence in North America." Nuruddin Farah, author of *Knots and Maps*
