Tionne Rogers : The Substitute - Book II before purchasing it in order to gage whether or not it would be worth my time, and all praised The Substitute - Book II:

2 of 2 people found the following review helpful. Awesome Series!By vabyvlueThis book has it all: romance, action, conspiracy, betrayal. It is a sexy, DARK thriller that showcases what a great deal of research the author did on current affairs, literature and history. Can't get enough of Guntram and Konrad! Love Goran too.

"Constantin Repin is well dead but Alexander Kuragin lives for you, my angel. I clearly said that you were closing a part of your life and I was opening another. I love you too much to deny you this opportunity. A fresh new start, away from Lintorff and all the others." Frustrated and disgusted with his life as Lord Consort of one of the most terrifying secret societies known to mankind, a new world opened for artist Guntram de Lisle, away from the man he loved but had hurt him like no one else before. Would he take the opportunity to raise a family on his own? Would Konrad von Lintorff let him go? Would Alexander Kuragin keep his word? Book trailer can be found at:
