Nancy Heche : The Truth Comes Out: The Story of My Heart's Transformation before purchasing it in order to gage whether or not it would be worth my time, and all praised The Truth Comes Out: The Story of My Heart's Transformation:

0 of 0 people found the following review helpful. it's just good to share the things you go throughBy Carolini 1955I thought this was a very honest book about what Nancy Heche was going through at the time. I could totally relate to her feelings and whether you agree or disagree with gay marriage, it is just plain wrong to negate someone's feelings.

This book is how she felt and it may not be how you personally feel but I found it to be helpful to me as I was dealing with issues in my own family. Even if homosexuality isn't the issue, it's just good to share the things you go through, the insights that were helpful, and just the process so you don't feel like you are the only one going through a private pain. I found this book helpful and recommend it. 0 of 0 people found the following review helpful. Nancy Heche really tells all in this story. I ...By Mae Lynn Biggs Nancy Heche really tells all in this story. I honor her for her transparency. Her journey gives all of us hope. 1 of 2 people found the following review helpful. Dr. Heche is honest and generous with sharing her life story. By Gordybug I was impressed by Dr. Nancy Heche's easy style and candid honesty about the challenges she's faced in dealing with the issue of same-sex-attraction in her immediate family. She shares her open reflections about her raw feelings and thoughts at a time when her life was being turned upside down. It's not easy to find people that are willing to speak out, these days, without an agenda. It is a brave and much needed thing to have intellectually and emotionally honest writings about real life issues that affect real-life people. Dr. Heche's book is inspiring for anyone struggling in difficult life circumstances. We can't control what life gives us, but we can control our response to it!

This is the beginning of a beautiful love story, Nancy wrote in her diary after meeting Don Heche, the man she was to marry. Five children and 25 years of marriage later, it seemed as if they were the perfect family. Then Don was diagnosed with AIDS—the shocking discovery of his homosexual secret. This was only the beginning of loss and heartache. Shortly after Don's death, their 18-year-old son, Nathan, died in a car crash and Nancy fell into years of personal darkness. Eventually, as she was drawn into a long journey of growth and healing, her youngest daughter, Anne, began a very public lesbian love affair. Despite Nancy's life circumstances, she held on to what she knew of God's promises from Scripture and is discovering how to look at people and the world with God's perspective through eyes full of love and blessing. Her inspiring story of faith and courage will offer hope to anyone who has ever been on the brink of despair, or wondered how to respond with love to someone in a same-sex relationship.

From the Back Cover This is the beginning of a beautiful love story, Nancy wrote in her diary after meeting Don Heche, the man she was to marry. Five children and 25 years of marriage later, it seemed as if they were the perfect family. Then Don was diagnosed with AIDS—the shocking discovery of his homosexual secret. This was only the beginning of loss and heartache. Shortly after Don's death, their 18-year-old son, Nathan, died in a car crash and Nancy fell into years of personal darkness. Despite Nancy's life circumstances, she held on to what she knew of God's promises from Scripture and is discovering how to look at people and the world with God's perspective through eyes full of love and blessing. Her inspiring story of faith and courage will offer hope to anyone who has ever been on the brink of despair, or wondered how to respond with love to someone in a same-sex relationship. About the Author DR. NANCY HECHÉ brings a compassionate and practical approach to some sensitive and painful life issues. After her husband's death from AIDS, Nancy experienced the international media rush when her daughter began a highly publicized lesbian affair. Nancy is an instructor at Loyola University and Judson College in Illinois, and has earned a master's and doctorate in Pastoral Counseling. She has a private practice in psychotherapy where she specializes in communication and relationship issues, and is a popular Bible-study teacher.
