It has utmost authenticity as Paes lived in Vijayanagar during Krishnadeva raya's reign and was the king's guest of honour. The description of town, its richness, the details of festivities and the king's lifestyle have been vividly described. It feels like going through a running commentary of events belonging to the splendid 1520s at Vijayanagar. Paes gives a true first account of Krishnadeva raya, and takes us through a thorough tour of Vijayanagar.
