Johannes Strohschank, William G. Thiel : The Wisconsin Office of Emigration 1852-1855 and Its Impact on German Immigration to the State before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wisconsin Office of Emigration 1852-1855 and Its Impact on German Immigration to the State:

In 1852 Wisconsin established the Office of Emigration to attract Europeanmainly German-speakingsettlers to the

state. Drawing on contemporary newspaper articles and privately published emigrant guides, as well as official publications of the emigration office, the authors document the office's influence on the settlement history of early Wisconsin and assess that influence against the backdrop of state politics in the mid-nineteenth century. Complementing the text are rare and interesting photographs illustrating the work of the office and the people it served. This book is invaluable for genealogists interested in learning more about emigration, as well as for anyone interested in Wisconsin history and German American studies.
