From Brand: MCC Refugee Services : This Much I Can Tell You before purchasing it in order to gage whether or not it would be worth my time, and all praised This Much I Can Tell You:

1 of 1 people found the following review helpful. Compelling and inspiringBy Roni BreiteThis is an excellent collection of gripping, true stories of unthinkable hardship and torment told by refugees and asylees in their own words. Their sometimes awkward and naive English contributes to the sense of being there with them as they tell their difficult stories in humble tones. The subjects, from a variety of countries in turmoil, have shown an admirable ability

to overcome horrific experiences and contribute significantly to the fabric of our United States. It makes one realize that a many of us do a lot of whining about minor complaints; we can look to these folks as examples of how to handle adversity. The brief descriptions of why they became refugees was helpful and just the right length. One slight negative: Some of the stories could have been edited for length.0 of 0 people found the following review helpful. Five StarsBy Abigayil CisekOne of the best books I've ever read. Should be required reading for all Americans!

In the pages of *This Much I Can Tell You*, the voices of eighteen new Minnesotans, refugees and asylees from nine different countries, share stories of fear, courage, sorrow, and hope for enriched futures in the United States.
