Ian Rohr : Traditional Celebrations before purchasing it in order to gauge whether or not it would be worth my time, and all praised Traditional Celebrations:

This very low level non-fiction reader describe traditional celebrations around the world. Features include labelled photos; a WHAT, WHEN WHERE, WHY format. Strong multicultural format, running glossaries for lowest level reader. Global focus within "round the world" page spreads. Back of book activities include conversation scripts, teacher notes, and quizzes.. Emphasis on routine building with checklist, "Amazing Facts" page and play focussed activities.
