Robert McColl Millar, Larry Trask : Trask's Historical Linguistics before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trask's Historical Linguistics:

Trask's Historical Linguistics, Third Edition, is an accessible introduction to historical linguistics, the study of language change over time. This engaging book is illustrated with language examples from all six continents, and covers the fundamental concepts of language change, methods for historical linguistics, linguistic reconstruction, sociolinguistic aspects of language change, language contact, the birth and death of languages, language and prehistory and the issue

of very remote relations. This third edition of the renowned *Trask's Historical Linguistics* is fully revised and updated and covers the most recent developments in historical linguistics, including: more detail on morphological change including cutting-edge discussions of iconization coverage of recent developments in sociolinguistic explanations of variation and change new case studies focusing on Germanic languages and American and New Zealand English, and updated exercises covering each of the topics within the book a brand new companion website featuring material for both professors and students, including discussion questions and further exercises as well as commentaries on the exercises within the book. *Trask's Historical Linguistics* is essential reading for all students of language, linguistics and related disciplines.
