Andrew Ramer : Two Flutes Playing: A Spiritual Journeybook for Gay Men (White Crane Spirituality) before purchasing it in order to gage whether or not it would be worth my time, and all praised Two Flutes Playing: A Spiritual Journeybook for Gay Men (White Crane Spirituality):

0 of 0 people found the following review helpful. Timeless, gentle, revealing, and profound.By GembeauxAn

invaluable guide for anyone of the gay community who is doing serious inquiry into the true nature of spiritual relations and how to deepen, evolve and grow them into meaningful relationships. 1 of 3 people found the following review helpful. Quick and Inexpensive By Rod The book *Two Flutes Playing: A Spiritual journeybook* for Gay Men arrived very quickly and was in better shape than had been described. It was very reasonably priced. Excellent service from , 3 of 3 people found the following review helpful. Very inspirational. Gave me my self-worth and life back after years of spiritual journeying on this topic. By Eleth Absolutely perfect in every way. I have been searching, desperately, for a meaning to my life... for the meaning of why I am here, incarnate into a body that is both male and female. I have fought it, oh how I have fought it, even as I praised it. I have looked everywhere for something, anything that could possibly make sense of my life and my experiences as a Mystic Warrior. The writings in this have been a huge stepping stone, and a sturdy-woven rope for me. I truly cannot express adequately in words what it means for me, a person who is so different, a man in an intersex body, to be able to place my Spirit somewhere, anywhere that it could fit. I could place myself back in time and could see myself being loved by these men, men like me in some ways... not in others. How wonderful would it be if all gay men could look past my form and see me as Who I Am. I am gay too. My body does not matter in that distinction, and I will use this book to help myself to become stronger as a gay man, no matter my form. I am also a High Priest and shaman (goes with being a Mystic Warrior) so I will be using some of this information and Spirit when crafting a unique (relatively) Path to show others they can travel too. So I thank you sincerely, Mr. Ramer for giving me pretty much all of the dignity that my life and certain others (people, religion) had taken from me. You have not only given me my life back, you have saved it. - C.S. Couch D.D., aka "Michael Wise Eagle"

"We had many saints, many heroes, both female and male, but I want to speak here of the saints and heroes of the gay tribes. For this is a period of human history that has been lost through time, whose return is vitally needed. For you know the heroes of the other tribes. But of this small, sacred tribe, whose history has been obscured, you remember nothing." So tells acclaimed author Andrew Ramer in *Two Flutes Playing*. Within these pages can be found insight and wisdom. Ramer serves as a mythologist for gay men, providing evidence to the harmony of gender, love and sex. A new introduction by the author reveals why this book--a Lambda Literary Award finalist--has a timeless message.
