Terry Mutchler : Under This Beautiful Dome: A Senator, A Journalist, and the Politics of Gay Love in America before purchasing it in order to gage whether or not it would be worth my time, and all praised Under This Beautiful Dome: A Senator, A Journalist, and the Politics of Gay Love in America:

One of the greatest love stories I have ever heard played out right here, under this beautiful dome. But it was a secret. . . Penny and Terry just wanted what so many people want to express their love through marriage. I believe that today, their relationship would have played out much differently than it did twenty years ago. Because times have changed, and we all view things differently. But the law has not caught up with society. Representative Ann Williams Under This Beautiful Dome tells the true story of journalist Terry Mutchler's secret five-year relationship with Penny Severns, an Illinois State Senator who mentored Barack Obama. Forced to engage in an elaborate ruse to keep their relationship a secret, the two women constantly fear discovery in their conservative town. Denied legal access to the altar, they face even greater hardships when Penny is diagnosed with cancer and begins undergoing treatment. Set in the political arena, Under This Beautiful Dome reminds us why the march to legalize same-sex marriage is both personal and political. This vivid, beautiful story paints an intimate portrait of a loving relationship and the vast impact gay marriage legislation has on couples and families in America today.
