Ren Girard : Violence and the Sacred before purchasing it in order to gauge whether or not it would be worth my time, and all praised Violence and the Sacred:

To be recommended By JAN EDWARD GARRETT Really great book. Seminal work by an important thinker. Will probably write more about it later, after I've read more by Girard.

His fascinating and ambitious book provides a fully developed theory of violence as the 'heart and secret soul' of the sacred. Girard's fertile, combative mind links myth to prophetic writing, primitive religions to classical tragedy.
