**Gaetano Cipolla : What Makes a Sicilian?** before purchasing it in order to gage whether or not it would be worth my time, and all praised What Makes a Sicilian?:

6 of 6 people found the following review helpful. I Am SicilianBy nick gulloThis book answered a lot of questions that I had about my characterAnd my feelings that I always had about my life, my family and my friends.All Sicilian men living in America should read this book.It is like looking in a mirror.3 of 3 people found the following review helpful. this is a nice addition to your reference libraryBy BungalowFor anyone who is Sicilian (I am), or interested in Sicily, this is a nice addition to your reference library. Was listed as out of stock, but I ordered knowing it would be delayed. To my surprise, within a few days I was notified that it had shipped. Especially nice as I had ordered several copies for cousins as stocking stuffers they arrived in plenty of time!1 of 1 people found the following review helpful. Good short review with a few typosBy Leon A Le LeuSurprising list of great Sicilians; some attempt to explain why Sicilians are different; but suspect a bit was lost in translation. The figure of 16 different invading groups was remarkable. Pity the book is so short but that may suit some.

This booklet answers the question: "What Makes a Sicilian?". Professor Cipolla reviews those values that Sicilians live by and highlights the Sicilian contribution to Western civilization. Twenty thousand copies have been sold.

"A must for lovers of Sicily who are offended by the stereotyped image of Sicilians manufactured by the mass media." --Antonio Pagano, Sicilia ParraAbout the AuthorProfessor Gaetano Cipolla teaches at St. John's University. He is the leading authority on Sicilian language and culture. He is president and editor of Arba Sicula, the only literary Sicilian-English journal in the world.
